Treasury Department
May 20th 1854

Sir

Enclosed is a copy of the printed proceedings of the Board of Supervising Inspectors, at their late meeting in this city

On page 89 and 90 you will find the resolution that was finally adopted in relation to the mode of applying fusible alloy, to prevent the explosion of steam boilers.

Very Respectfully
James Guthrie
Sec. of Treasury.

To
J. C. Booth Esq
Melter & Refiner,
U. S. Mint
Philadelphia
